

SNBP SCHOOL & Jr College, Morwadi

“Nothing's perfect, the school's not perfect. But it's there for us, trying the best it can; that's what makes it so damn beautiful.” “Beauty is how you feel inside, and it reflects in your eyes. Similarly the beauty of Enrichment activities should reflect through your presentation.

**As the most awaited summer vacation is near and as you all know learning by doing is a never ending process, so dearies to enhance some of your learning skills we have come up with Enrichment activities for you which are very interesting.
So lets begin with our journey.....**

With this lets practice writing a diary everyday before you go to bed and insert whatever you do or however you feel, your good and not so happy memories...pen it down in a book or a pocket diary with date everyday..Follow the below format....

Begin with

Dear Diary...,

Conclude with your name at the end.

These memories will last with you forever!!!!

Read books.

“Books and doors are the same thing. You open them, and you go through into another world.”

So to take you through another world we have encountered few books and authors..If you have your own collection of books then go ahead with it..

Up for Air. Perfect for Swimmers. ...

The Chronicles of Narnia. by: C.S. Lewis - (HarperCollins, 1950) ...

Lord of the Flies by William Golding.

The Science of Breakable Things. ...

Integrated Summer project

Learning is **not** the product of teaching.
Learning is the product of the **activity of learners**

--John Holt

So you will find an attachment for your integrated project and enjoy learning.

**Thank you and enjoy your
vacation!!!**
